

**Welcome!** And, thank you for joining us today. We are part of Gods plan now and into an ever present future and we will return

together as our church family and even now, we are not alone. I have plenty of time to talk by phone, pray by phone or a personal outdoor visit. You have already overcome much adversity and are being delivered to the place were your hopes and desires will begin to take on spiritual roots. You are anchored in Christ and are already helping others find hope and stability. I pray we all grow daily as Gods people. Please take a moment to let us know who you are and how we can pray for your needs by tearing off the information part of this bulletin and placing it in the offering box at the front. **Happy Mother's Day!**

~ Pastor Tommy & Cindy

## Radish & Squash Ready In The Garden

Garden update: we've got a lot of stuff growing in the garden and right now there should be a couple Yellow Squash ready to pick and we need to thin out the Radishes. Radish is the first row on the left just inside the gate. Please search the row to

remove big one's so we thin them out and the smaller ones can continue to grow with more room. The gate will be unlocked after church if you'd like to go check. Soon we'll have some tomatoes, peppers, okra and melons.

Thank you to everyone who stops by to keep it maintained when they have time.

## Happy Anniversary Mike & Cindy Dean
